Corrigenda

On a mechanical matching condition related to the detection limit for gravitational radiation
Equation (1) is incorrect; the correct form is
\[
\frac{S_p}{S} = \frac{1 - r}{1 + r} \left( Y_p \rho_p \right)^{1/2} = \frac{1 - r}{1 + r} \frac{v_p}{v_p \rho_p}. 
\]

Two kinds of mode coupling contributions to transport coefficients
In the second term on the right-hand side of equation (6), \( G_i^*(-t + s) \) should be \( G_i^0*(t + s) \).
