PREFACE

2026 3rd International Conference on Renewable Energy Technology and Electrical Engineering (RETEE 2026), hosted by Zhejiang University of Water Resources and Electric Power, took place from July 24-26, 2026, in Jiaxing, China.

This conference aims to bring together researchers, industry experts, and practitioners to discuss the latest innovations and challenges in new energy technology and electrical engineering. RETEE 2026 features keynote speeches, and oral presentations, providing a platform for exploring innovative ideas and practical solutions in renewable energy and electrical engineering.

The volume of RETEE 2026 gathers a curated selection of articles indicating the latest advancements, and innovations concerning renewable energy technologies, power systems and energy management, and power electronics and new energy conversion. All submitted papers are blinded-reviewed, with their originality, relevance, significance, and clarity evaluated comprehensively. It is our hope that this volume will serve as a useful reference for the advancement of related technical fields.

The organizers would like to express their sincere appreciation to the support from the participants, speakers, reviewers, committee members, and volunteers and staffs, which ensures the success of the conference and the completeness of the volume.

The Committee of RETEE 2026

COMMITTEES

Conference General Chairs

Prof. Fushuan Wen, Zhejiang University, China

Prof. Shubin Yan, Zhejiang University of Water Resources and Electric Power, China

Technical Program Committee Chairs

Prof. Guoneng Li, Zhejiang University of Science and Technology, China

Prof. Feng Zhang, Shangdong University, China

Publication Chairs

Prof. Hao Lu, Xinjiang University, China

Prof. Rui Zhang, Northeast Electric Power University, China

Organizing Committee Chair

Prof. Yuntang Li, China Jiliang University, China

Organizing Committee Members

Prof. Taiquan Wu, Zhejiang University of Water Resources and Electric Power, China

Prof. Xiangdong Liu, Xinjiang Institute of Technology, China

Sr. Eng. (Prof. Level) Feng Zhang, State Grid Zhejiang Electric Power Co., Ltd., China

Deputy Dean Zhaowei Wang, Shanghai Zhongqiao Vocational and Technical University, China

Director Huacai Chen, China Jiliang University, China

A.P. Changxin Chen, North University of China, China

Lecturer Biyi Huang, Zhejiang University of Water Resources and Electric Power, China

Lecturer Yang Cui, Zhejiang University of Water Resources and Electric Power, China

Lecturer Guang Liu, Zhejiang University of Water Resources and Electric Power, China

Lecturer Yihang Lu, Zhejiang University of Water Resources and Electric Power, China

A.P. Yan Dong, Zhejiang University of Water Resources and Electric Power, China

Lecturer Yiliang Cai, Zhejiang University of Water Resources and Electric Power, China

Lecturer Xifang Wang, Zhejiang University of Water Resources and Electric Power, China

Lecturer Xiaoran Yan, Zhejiang University of Water Resources and Electric Power, China

Lecturer Chen Chen, Zhejiang University of Water Resources and Electric Power, China

A.P. Wen Shi, Wenzhou University, China

Technical Program Committee Members

Prof. Tiehua Ma, North University of China, China

Prof. Jing Li, Hangzhou City University, China

Prof. Sanjeevikumar Padmanaban, University of South-Eastern Norway, Norway

Assoc. Prof. Jiashen Teh, University Sains Malaysia, Malaysia

Prof. Shuxin Wang, Shanghai Zhongqiao Vocational and Technical University, China

Prof. Hui Cai, China Jiliang University, China

Prof. Xiaojing Chen, Wenzhou University, China

Prof. Pinwen Huang, Zhejiang University of Water Resources and Electric Power, China

Prof. Yongqiu Zheng, North University of China, China

Prof. Ruiquan Wang, Zhejiang Institute of Mechanical & Electrical Engineering, China
