## Peer review declaration

All papers published in this volume of IOP Conference Series: Earth and Environmental Science have been peer reviewed through processes administered by the Editors. Reviews were conducted by expert referees to the professional and scientific standards expected of a proceedings journal published by IOP Publishing.

- **Type of peer review:**  
*All papers were subjected for review in term of format and appropriate contents by two independent reviewers (double-blind review)*
- **Conference submission management system:**  
For official information, we develop using the University platform: <http://icates.unsyiah.ac.id/> , while for paper submission, We used the EasyChair conference management system: <https://easychair.org/my/conference?conf=icates2020>
- **Number of submissions received:**  
*In total, we received 116 submitted papers through submission system*
- **Number of submissions sent for review:**  
*A total of 114 papers were sent to the reviewers, while 2 submission paper were rejected due to irrelevant topics*
- **Number of submissions accepted:**  
*A total of 85 papers were accepted for presentations on ICATES 2020*
- **Acceptance Rate (Number of Submissions Accepted / Number of Submissions Received X 100):**  
*Acceptance rate = 73.27%*
- **Average number of reviews per paper:** *2x for major revisions and 1x for minor revisions*
- **Total number of reviewers involved:** *28 reviewers*
- **Any additional info on review process:** *The review process were carried out by assigning two potential respective reviewers by track editors. The review itself approximately took maximum 3 weeks to complete.*
